Dear Sisters and Brothers:

On behalf of the officers, staff, and members of Local 721, it has been a busy year for everyone and we have many updates to share.

Membership Information Meetings

With the expansion and renovation at the Local 721 Training Center, from December 2017 until June 2018 the membership information meetings will be held at an off-site location. Please check the Local 721 website for more information. We thank you for your patience and understanding while this work is being done.

Holiday Open House and Kids Party Deferred

This year we need to defer our annual holiday open house and Kids party. In lieu of the event we will be making a charitable donation on behalf of the members of Local 721 to The Toy Mountain Toy Drive to help make the holidays a little brighter for families in need.

Update on our Training Centre Expansion

This year Local 721 began construction on a state-of-the-art training center of excellence for our members. Thanks to you, this organization has what it takes to meet the challenges of the construction industry. Thanks to the foundation that you built, our Union will continue to grow, in solidarity and with integrity. We look forward to welcoming everyone to your new home shortly.

It was a wonderful evening. For those that could not attend, please contact the Local Union to make arrangements to receive your awards. Please see below picture of our 65 year pin recipients.

Website Update and Email

There has been lots of work on our website and it will be regularly updated to keep current with events and contacts. We also want to improve our email communications so please go to; iw721.org to register or contact the Local Union Administrative Staff

As we get close to the end of the year, we want to thank you sincerely for all your hard work as well as your patience and understanding through the expansion and changes at Local 721. As Ironworkers we are proud of you, and we hope that we will never stop making you proud, that you are, and always will be a member of Local 721.
